

### The Southern African Housing Foundation

#### International Housing Conference " Green Technology for Sustainable Human Settlements". 10 - 13 October 2010

This year the highly acclaimed SAHF International Housing Conference & Exhibition will once again be held in Cape Town from 10 to 13 October 2010 at the Southern Sun Cape Sun Hotel, Strand Street, Cape Town.

# **Speakers**

50 Speakers, will be presenting at the conference, which will be attended by Senior Government and Municipal Officials, Academics, Researchers, Housing Managers, Consultants, Innovators, Councillors, Non-Government Organisations, Financial Institutions and Manufacturers .The conference will include interactive sessions which will afford delegates the ideal opportunity to debate and propose solutions to supporting "Green Technology in the Development of Sustainable Human Settlements".

### **Exhibition**

Delegates will have the opportunity to interact with Exhibitors on Green Technology, Finance, Local Government Issues, Manufacturing and Innovation.

## Awards

Attend the National Housing Awards at an African Evening Experience at moyo, Spier Wine Estate, where successful participants in the Housing Industry will be honoured for their dedication and achievements in the categories of Best Housing Person, Best Local Authority, Best Project and Best Student of the Year for 2010.

## **Technical Tour**

Join an informative Technical Housing Tour where you see first hand the challenges and solutions facing the Housing Industry.
